

LETTER.

DECEMBER 6.

Cleveland and Hill.
 Richmond correspondent of the *Pittsburgh Appeal*, under date of the 1st inst., says:

A very distinguished citizen of this State is the authority for the statement that the recent interview with Senators Barbour and Daniel with regard to the democratic candidate for the Presidency, has worked a considerable revolution in the minds of the democrats of Virginia. He says the expressions from such leaders have caused thousands of enthusiastic followers of Cleveland to stop and consider, and the result is the ex-President is losing strength in the Old Dominion daily. Several days ago I had an interview with Col. Tom Whitehead, Commissioner of Agriculture, and gave at that time in this correspondence his reasons for opposing Mr. Cleveland, and, so far as I am aware, the colonel's views are very largely approved by the farmers of the State. At the Capitol everybody, from the Governor down to the clerks, is opposed to the re-nomination of Mr. Cleveland. So far as I can learn there is but one man at the Capitol, and he is a clerk, who advocates the re-nomination of the ex-President. A majority of Mr. Cleveland's opponents favor Hill, but some of them prefer to wait until the issues are further developed before expressing a choice. I asked a well known party worker to-day why he was so bitterly opposed to Cleveland. His blunt reply was: "Because he can't be elected." He added, as if in explanation: "I have no faith in all this talk about electing a democrat without the vote of New York. It can't be done. Those northern States that unexpectedly went democratic in November will flip over to the republicans just as certain as we have another Presidential election. Hill can carry New York—everybody admits that—and it is generally conceded that he is stronger in Indiana than Cleveland. We must put up a man that can carry those States, or we will be left."

Lead Poison Cured.

I am a painter by trade. Three years ago I had a bad case of Lead Poison, caused by using paint. I was cured in a short time by S. S. S. The medicine drove the poison out through the pores of the skin. My system was so saturated with the poison that my underclothes were colored by the paint being worked out by the medicine through the pores of my skin. I was cured entirely by S. S. S., and have had no return since. **C. PARK LEAK**, Waynesville, Ohio.
